. The prayer made in the Civil application is in fact the principal prayer made in the Writ petition. In the circumstances, we are not inclined to grant any interim relief.

2. Civil application is rejected.

3. However, keeping in view the subject matter, we are satisfied that Writ petition deserves to be heard at an early date. In fact while issuing rule, the Division bench expedited the hearing and liberty was granted to the petitioner to apply for fixing

the date of hearing. Now, we direct the office to post Writ petition No.4807 of 2003 and the companion petition being Writ petition No.1719 of 2003 for final hearing on 19.4.2005.

4. Civil application stands disposed of.
